Conference venue: Hotel Kloster Haydau, In der Haydau 2, 34326 Morschen, Deutschland  
(<https://www.hotel-kloster-haydau.de>)

**Aufruf zu Fachbeiträgen - Call for Papers**

Dear expert colleagues,

by resolution of the general meeting, the EMATEM Summer School 2026 will take place at Monastery Haydau (State of Hesse), Germany. We are very much looking forward to welcoming you again and are eagerly awaiting your contributions.

In line with tradition, the latest findings on the improvements of measurement accuracy and durability of Thermal Energy Meters, their conformity assessment, metering applications and market surveillance will be presented at the EMATEM Summer School.

Today the board of EMATEM e.V. calls for submission of proposals for technical papers for the 22<sup>nd</sup> Summer School.

Lecture duration: 20 min. + 10 min. discussion, company presentations can be attached in writing. At the symposium, a mutual simultaneous translation in German - English will be available.

This year, we would very much appreciate if you would submit your presentations in English, or if possible, in English and German. This agrees with our international alignment.

**Please submit your proposal for a paper with the title/topic and a short, informative abstract by February 27th, 2026.**

A selection will be made by mid of March 2026. You will then receive notification whether your presentation registration could be considered.

Please submit the **completed presentations** by **mid-August 2026**. As in previous years, the EMATEM PowerPoint template is available.

Schedule of the summer school 2026

General meeting (22.09.2026, from 5:00 p.m. to 7:00 p.m.)

The lecture events will start on 23.09.2026 at 09:00 a.m. and end on 24.09.2026 (according to recent planning) at 3:00 p.m..

Kind regards,

Dr. Sebastian Baack

Chairman of the Board  
EMATEM e.V.

Berlin, 06.01.2026
