

**European Metrology Association
for Thermal Energy Measurement EMATEM e. V.**

Berlin, 23.03.2026

Dear Sir or Madam.

The Managing Board of EMATEM e.V. invites you to the

22nd International EMATEM Summer School
“Actual topics in thermal energy and flow measurement”.

This year, the summer school will take place as a face-to-face event from 23rd September 2026 to 24th September 2026 at

Germany, Hotel Kloster (Monastery) Haydau, In der Haydau 2, 34326 Morschen.

This year, the summer school will once again devote itself to many interesting topics, which you can see in the attached program.

The summer school starts on **23rd September** at 09:00 o'clock and will end on **24th September** at about 15:00 o'clock.

Please note that participation must be booked binding. For this, please declare your official participation until **10th June 2026** by means of the attached answer form.

After receipt of your answer form, you will receive a registration confirmation and an invoice for the Conference fee in the amount of **1600.00 €** (800.00 € for participants of public services as well as speakers with contributions). The invoice is due no later than **31st August 2026**.

The conference fee is an all-inclusive price and includes both accommodation and catering costs during the conference. Room reservations at Haydau Monastery will be made centrally by the conference office. Please note on the registration form any deviating arrival and departure preferences.

We look forward to your participation, interesting lectures and discussions,
best regards,

on behalf

Dr. Sebastian Baack

of the Managing Board EMATEM e.V.
